

Storage Cabinet

Convenient storage and organization for up to 1000 samples

The LECO Storage Cabinet provides a convenient method for storage, protection, and quick access to metallographic mounts, polishing wheels and cloths, or spectrographic standards. Each of the 10 trays are felt-lined and complete with handles and index card holders for identification of contents.

- 10 separate removable trays
- Holds up to 1000 samples per cabinet
- Stackable cabinets made of sturdy sheet metal
- Optimum-seal door with draw-tight handle
